OKANAGAN VALLEY

Verve can be defined as “the spirit and enthusiasm animating artistic composition or performance”. We are inspired by the beauty and the bounty of British Columbia and these wines are the creative expression of our love for this place we call home.

Cabernet Sauvignon-Merlot is a Bordeaux-style blend grown in the arid climes of the Southern Okanagan Valley that includes small amounts of Cabernet Franc, Malbec and Petit Verdot as well as a touch of Syrah to bring complexity and spiciness to this medium bodied red. It will pair brilliantly with steaks, ribs, stews and richer, meatier pastas in red sauces.
