NORTHERN  
WHITE  
2018

## OKANAGAN VALLEY

**Verve** can be defined as “the spirit and enthusiasm animating artistic composition or performance”. We are inspired by the beauty and the bounty of British Columbia and these wines are the creative expression of our love for this place we call home.

**Northern White** is an aromatic blend of Gewurztraminer, Pinot Gris and Gruner Veltliner (a Riesling cousin), all varietals that excel in the cooler climate of the North Okanagan Valley. Slightly sweeter and lighter than the Southern White, the Northern White is at it's best on it's own or with any of the myriad of Asian cuisines that we are fortunate to enjoy in BC.
