

Verve

PINOT GRIS 2018

OKANAGAN VALLEY

Verve can be defined as “the spirit and enthusiasm animating artistic composition or performance”. We are inspired by the beauty and the bounty of British Columbia and these wines are the creative expression of our love for this place we call home.

Pinot Gris is the most planted white varietal in the Okanagan Valley because it excels in the lake-moderated desert climate and enjoys a range of expression depending on whether it originates from the cooler North, the moderate Central or the warmer South. This bottling is a beautifully balanced Southern version with good ripeness and excellent acidity.
