SOUTHERN  
WHITE  
2018

## OKANAGAN VALLEY

**Verve** can be defined as “the spirit and enthusiasm animating artistic composition or performance”. We are inspired by the beauty and the bounty of British Columbia and these wines are the creative expression of our love for this place we call home.

**Southern White** is a fruit driven blend of Chardonnay, Sauvignon Blanc and Viognier, all varietals that excel in the warmer climate of the South Okanagan Valley. Drier and richer than the Northern White, the Southern White is at it's best on it's own or with richer seafood, cheese driven pastas and roast pork or chicken.
